Alexa Instructions

Once you have the skills enabled {see below}, wake word followed by play ACB Media. Then once you do that then you can say wake word followed by ACB Media and the number listed above.

- For example say, "Alexa play ACB Media."
- Then after that say, "Alexa play ACB Media 5."

ENABLE ALEXA SKILL

If you have not enabled the ACB MEDIA skill on your Alexa Follow these steps

- Sign into your Alexa app on your smartphone, tablet, or computer.
- Click the menu button on the far right bottom of the screen

- Next, select **Skills and Games**
- Now in the top **Search** bar, search for ACB Media
- Once it appears, select ACB Media.
- Finally, select the **LAUNCH** button.
 - This step means you launch the skill, not the broadcast/stream.
- **Success!** You have enabled the skill on your Alexa device.
 - You can now use the commands in the section above!
 - Plus, it should activate on all the devices attached to Alexa account you have signed into.
